Testimonials

Being an Affiliate Member of PGCAR has been a terrific experience. I have had the opportunity to meet so many members through the Young Professionals Network, the Community Service Committee and all the various PGCAR functions. Our attorney, David Hahn, has also enjoyed working with the Forms Committee and teaching a few classes. The David Maclin 5K Walk and the Annual Holiday Party allow me to give my time to our community as well as truly enjoying the events. Through PGCAR, I also joined the Women's Council of REALTORS® and served on the Board for 3 years. Village Settlements, Inc. is proud to be a supporter of PGCAR and able to help REALTORS® reach their goals.

Looking back over the many years of my loan origination career, I think one of the greatest factors is my affiliation and involvement in the Prince George's County Association of REALTORS®. This Association is compiled of motivated and professional REALTORS® who are serious about their careers and want to work with like-minded professionals. Being involved in the Association's Committees and activities which are important to our Real Estate in Prince George's County is a great way to give back to the community, and to get to know REALTORS® and other Affiliates.

My involvement has helped me understand what others in a Real Estate transaction do and that has been an invaluable boost to my knowledge and success. Without this Affiliation, I doubt my career would have been near as successful and enjoyable.
