DAVID AND JUANITA MACLIN MEMORIAL SCHOLARSHIP FUND
8300 Corporate Drive
Landover, MD 20785
301 306-7900

The Prince George's County Association of REALTORS® (PGCAR) David and Juanita Maclin Memorial Scholarship Fund Committee would like to acknowledge the community service efforts of our county high school seniors. To this end, we are striving to award a \$2,500 scholarship to four graduating Prince George's County High School students. Each scholarship is to be used toward further education in any community college, university or trade school.

The scholarship criteria consists of writing a composition of 500 words or less on **“What Difference I Have Made in My Community.”** The scholarship applicant must be a graduating high school senior with at least a 2.0 grade point average. Compositions should be sent to PGCAR and **should include a completed application form, parental/guardian permission slip, transcript, 3 letters of recommendation and Letter of Acceptance from the university or college.** **All entries must be uploaded at www.pgcar.com/scholarship-application by midnight March 31st, 2023.** All winners will be notified by the end of April and winners **will be expected to attend a photo shoot for the press at the end of April/early May.** The entries will be judged by the David and Juanita Maclin Memorial Scholarship Fund Committee.

Thank you for sharing this information and giving your high school seniors the opportunity to participate in this endeavor. We look forward to receiving compositions from many high school seniors in Prince George's County.

Sincerely,

Michael A. Graziano
Executive Vice President
